#### DIRECTORS REPORT TO THE SHAREHOLDERS

Accounts for the quarter ended September 30, 2016 show a loss of Rupees 11.16 million, as compared to loss of Rupees 9.85 million in the corresponding period in 2015. This loss is attributed mainly due to reason for retaining the minimum staff required for managing the corporate affairs and safe guarding the remaining assets of the Company. The Mills is closed down and the management in proceeding ahead with the closure plan approved by the BOD and Shareholders.

Negotiations are underway to settle bank liabilities but so far no terms of settlement have been finalized.

The management is in the process of preparing a restructuring plan for the revival of your Company and is doing due diligence on various business options for the future. Investment in real, Renewable energy, corporate farming and small scale manufacturing seem to be areas of growth in Pakistan and of interest to us. The management is quite optimistic that some progress will be made in this regard.

In the meanwhile, we remain focused on cost controls and every possible effort is being made to curtail and keep the expenses to a minimum level.

For and on behalf of the Board

(Humayun Mazhar) Chief Executive Officer

Lahore: October 28, 2016.
