DIRECTORS REPORT TO THE SHAREHOLDERS

Accounts for the quarter ended September 30, 2021 show a profit of Rupees 61.45 million as compared to the loss of rupees 1.27 million in the corresponding period 2020. This profit is mainly attributed to reversal of markup payable to Bank of Punjab, after the full and final settlement of liability.

The management is in the process of implementing the closure plan approved by the BOD and Shareholders. There were two parts of this plan i.e. Disposal of Assets and Future Business plan. As far as the Disposal of Assets is concerned, all the payments against disposal of assets have been received.

Although the bank of Punjab liability was settled in July,2021 our portion of the receipts of the same have not been released by the court, due to some technical error in the judgement by the LHC and delay by the registrar in correcting the same. However, we have filed a petition to redress the same and expect to receive our share of the funds in October, 2021. Once we receive these funds and settle some current and remaining liabilities, we shall be in a position to determine future course of action regarding the business plan as approved by the shareholder in their meeting held in October,2011.

In the meanwhile, we remain focused on cost controls and every possible effort is being made to curtail and keep the expenses to a minimum level.

For and on behalf of the Board
