# DIRECTORS REPORT TO THE SHAREHOLDERS

Accounts for the nine months ended March 31, 2019 show a loss of Rupees 38.69 million, as compared to loss of Rupees 39.47 million in the corresponding periods in 2018. This loss is primary attributed to the exchange loss due to the significant depreciation in rupee against the US dollar and its impact on our liabilities with financial institutions, borrowing cost, professional fee paid to lawyers on account of our ongoing cases with financial institutions and the cost of minimum staff required for the managing the corporate affairs and safe guarding remaining assets of company.

The management is in the process of implementing the closure plan approved by the BOD and Shareholders. There were two parts of this plan i.e. Disposal of Assets and Future Business plan. As far as the Disposal of Assets is concerned, significant progress has been made in this regard i.e. Majority of payments against disposal of fixed assets have been realized. However, the cheques amounting to 66.67 million relating to last installment of land disposal, due on Dec, 2017, were dishonored by the buyer's bank. We have already served legal notice for non-payment and also filed civil suit for cancellation of agreement against the buyer which is pending adjudication.

With regards to the Future Business Plan it was contingent upon settlement of liabilities with financial institutions and any surplus realized thereof. In this regard the progress has been very slow as we are still under litigation with the concerned financial institutions. This inordinate delay in settlement of liabilities has not only resulted in non-implementation of the business plan but has also resulted in additional operational costs without any business activity. Although, our Legal advisors are fairly optimistic on a favorable outcomes in all pending cases the timelines for the same are very difficult to predict. In view the same, the implementation of any future business plan will be explored on realization of any surplus of funds, after full and final settlement all outstanding liabilities with the financial institutions.

The below table will clear more situation about the closure plan approved by the BOD and shareholders in their meetings.

Book value of assets sold so far Rs. in million	24.902	
Sale proceed received Rs. in million	432.605	
Gain on sale of assets Rs. in million	154.222	
Utilization of disposal proceed	Funds utilized for the repayment of mark up bearing borrowing 71 M and 120 M deposit with deputy registrar Lahore high court Lahore against BOP loan, balance used for the repayment of director loan and to meet administrative and other expenses.	
Book value of remaining assets to be sold	All assets has been sold, as regards land entry in the books of account will be made on the receipt of final payment.	

In the meanwhile, we remain focused on cost controls and every possible effort is being made to curtail and keep the expenses to a minimum level.

For and on behalf of the Board

# 1.1 Non-going concern basis of accounting

Shortage of working capital and reduction in demand of finished goods resulted in the closure of Company's operations since 02 May 2011. The Company in its Annual General Meeting on 31 October 2011 decided to dispose of the property, plant and equipment of the Company. Whole of the plant and machinery and buildings on freehold land have been disposed of uptill 30 June 2015. Freehold land is also under the process of disposal. During the period ended 31 March 2019, the Company has loss after taxation of Rupees 38.691 million. The Company has suffered accumulated loss of Rupees 747.332 million as on 31 March 2019 which has turned equity into negative balance of Rupees 292.147 million.

In view of the aforesaid reasons, the Company is not considered a going concern. These condensed interim financial statements have been prepared using the non-going concern basis of accounting on the basis of estimated realizable / settlement values of the assets and liabilities respectively.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and methods of computation adopted in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the audited annual published financial statements of the Company for the year ended 30 June 2018 except for the change in accounting policy as stated in Note 2.2 to these condensed interim financial statements.

### 2.1 Basis of preparation

# 2.1.1 Statement of compliance

a) This condensed interim financial information is unaudited and is being submitted to shareholders as required by section 237 of the Companies Act, 2017. This condensed interim financial information has been prepared in accordance with the International Accounting Standard (IAS) 34 "Interim Financial Reporting" as applicable in Pakistan and notified by the Securities and Exchange Commission of Pakistan (SECP).

b) This condensed interim financial information does not include all the information and disclosures required in the annual audited financial statements, and should be read in conjunction with the Company's annual audited financial statements for the year ended 30 June 2018.

# 3. TRADE AND OTHER PAYABLES

These include Rupees 153.334 million (30 June 2018: Rupees 153.334 million) received as advance against sale of land from Mrs. Saima Yousaf.

- As per the terms of the respective sanction advice, these borrowing facilities were expired on 31 July 2011 and not renewed. The Bank has filed a suit in Lahore High Court, Lahore against the Company for the recovery of principal amount and accrued mark-up of these facilities. However with reference to Note 7.1, the Bank has provided No Objection Certificate (NOC) for vacation of charge on assets. The Bank in its direct balance confirmation letter to the auditors as at 30 June 2018 have claimed principal balance outstanding of Rupees 117,272,196 against Rupees 112,598,144 appearing in books of account of the Company as at 30 June 2018 and claimed mark-up payable on borrowings of Rupees 79,690,130 against Rupees 63,745,055 appearing in books of account of the Company as at 30 June 2018. Hence, the Bank has claimed Rupees 4,674,052 excess on account of principal outstanding and Rupees 15,945,075 on account of mark-up payable from the Company. The Company has not recognized the excess claims of the Bank in these condensed interim financial statements based on opinion of its legal advisor. As per legal advisor of the Company, even in worst scenario, if the suit of Bank is decreed, even then the same cannot be decreed beyond the claimed amount of Bank as stated in the Bank's recovery suit. Furthermore, the Bank is not entitled to any mark-up from the date of default as alleged in the plaint of its recovery suit and at the most Bank can be granted cost of funds at the rate of State Bank of Pakistan's provided rate of cost of funds. Therefore any exaggerated claim of Bank more than its claimed amount in suit, is untenable at this moment.
- This facility was obtained from B.R.R. Guardian Modaraba (formerly Crescent Standard Mudaraba) which was repayable up to 30 June 2012, but the Company could not pay the balance uptill the expiry of the prescribed date. As the Company is at default, mark-up at the rate of 18 percent per annum is being charged on the outstanding balance. Moreover B.R.R. Guardian Modaraba (formerly Crescent Standard Mudaraba) filed a suit in Modaraba Tribunal against the Company for the recovery of above mentioned principal amount and mark-up amounting to Rupees 15.290 million previously waived off by B.R.R. Guardian Modaraba (formerly Crescent Standard Mudaraba). The case has been decided against the Company. Now the Company has filed an appeal in Lahore High Court, Lahore against the Order of Modaraba Tribunal. Furthermore B.R.R. Guardian Modaraba (formerly Crescent Standard Mudaraba) has obtained a decree for the attachment of the freehold land of the Company from the Banking Court, Lahore against the principal and mark-up mentioned above. The Company has filed an objection petition against this decree.

### 5. CONTINGENCIES AND COMMITMENTS

### 5.1 Contingencies

- i) The Commissioner Inland Revenue raised demand for sales tax amounting to Rupees 34.022 million (30 June 2018: Rupees 34.022 million) along with additional tax and penalty in respect of sales tax not charged on sale of fixed assets, sale of scrap, disputed inputs claimed, etc. Then Company filed appeals before the Appellate Tribunal Inland Revenue and subsequently in Lahore High Court, Lahore which were decided against the Company. Afterwards, the Company has filed an appeal in Supreme Court of Pakistan in 2012 against the decision of Lahore High Court, Lahore. Moreover, the Company also approached Federal Board of Revenue (FBR) for a decision by Alternate Dispute Resolution Committee (ADRC). The Committee has given its recommendations to FBR. Pending decisions of the Supreme Court and FBR, no provision has been made in these condensed interim financial statements. Based on the advice of legal counsel, the management is of the view that there are strong grounds about the decision of the case in favour of the Company.
- ii) Deputy Commissioner Inland Revenue, Lahore ordered on 19 June 2017 for recovery of sales tax amounting to Rupees 934,414 (30 June 2018: Rupees 934,414) along with default surcharge and penalty under section 34 and 33 respectively of Sales Tax Act, 1990. The Company filed an appeal against this order to Commissioner Inland Revenue (Appeals), Lahore on 14 July 2017. However on 20 June 2018, the appeal was disposed of by Commissioner Inland Revenue (Appeals), Lahore and the case was remanded back to Deputy Commissioner Inland Revenue, Lahore. Based on the advice of legal counsel, the management is of the view that there are strong grounds about the decision of the case in favour of the Company. Therefore, the related provision is not made in these condensed interim financial statements.
- iiii) As per press release of Supreme Court of Pakistan dated 17 May 2018, a two member bench, headed by Justice Mian Saqib Nisar, Chief Justice of Pakistan, and comprising Justice Mushir Alam heard Suo Moto Case No. 26 of 2007 with HR Cases and Constitution Petition No. 64 of 2009 regarding Deadbeats got loans of Rupees 54 billion written off. The case was heard on 13 May 2018 at Supreme Court of Pakistan and the Bench passed the following order:

As per Report of the Commission constituted by this Court, action against 222 individuals / companies (Page No. 107 of Vol-I of the Commission's Report) has been recommended on account of the fact that the loans were not written off in accordance with law. Let notice be issued to all 222 individuals / companies as per detail provided in Part-II of Volume-II of the Report of the "Commission on Written-off Loan" against whom action recommended for further action; ensure their presence on the next date of hearing and to submit their replies before such date. Offices directed to issue a press release in this behalf. Re-list on 08 June 2018.

The name of the Company, under the heading of National Bank of Pakistan (NBP), is included in the list of 222 individuals / companies. Subsequent to the reporting date on 10 August 2018, NBP through a letter demanded Rupees 25.858 million (US Dollars 212.654.94) against the principal and mark-up balances of FE-25 loan along with mark-up on other adjusted loans. The Company denies any of the claims made by NBP and has already filed a case in Lahore High Court, Lahore against the demand raised by NBP. Moreover, the Chief Executive Officer of the Company has received a call up notice from National Accountability Bureau (NAB) on 27 August 2018 and on 07 November 2018 to appear before the Combined Investigation Team regarding the captioned matter. However, he has not appeared before NAB as the management believes that the matter is pre-judice in Lahore High Court, Lahore. No provision against the aforesaid has been made in these condensed interim financial statements as the management believes that it has strong case.

### 7. NON-CURRENT ASSET HELD FOR SALE

The Company through an agreement dated 17 July 2014 agreed to sell complete freehold land of the Company located at Lahore Road, Jaranwala, District Faisalabad having area of 23 acres, 6 kanals and 4 marlas for Rupees 220.000 million to Mrs. Saima Yousaf (the "Buyer"). The Company has received Rupees 153.334 million as advance in this regard as shown in Note 7.2. Remaining Rupees 66.666 million were due to be received from the Buyer in single installment on 24 December 2017. However, cheques having consolidated amount of Rupees 66.666 million dated 24 December 2017 were dishonored by the Bank due to the insufficiency of funds. As per the agreement with the Buyer, if any of the given cheques by the Buyer are not encashed in time, the agreement shall be considered as rescinded and the whole amount already paid by the Buyer shall be forfeited. The Company through its legal counsel served a legal notice on the Buyer on 27 December 2017 that the amount already paid i.e. Rupees 153.334 million will be forfeited if the remaining installment is not paid. Moreover the Company has filed a suit for cancellation of agreement before Civil Court, Faisalabad which is pending for adjudication.

According to the agreement, the ownership of freehold land equivalent to the payment received shall be transferred in the name of the Buyer after the clearance of cheques received for this purpose. Although two installments amounting to Rupees 133.334 million along with Rupees 20 million of token money have been received from the Buyer, but ownership of proportionate freehold land has not been transferred till the date of authorization for issue of these financial statements. As stated in Note 8.2, B.R.R. Guardian Modaraba (formerly Crescent Standard Modaraba) has obtained a decree for the attachment of freehold land of the Company from the Banking Court, Lahore against the principal and mark-up payable by the Company. The management of the Company was always of the view that ownership of complete freehold land shall be transferred in the name of the Buyer on receipt of remaining single installment of Rupees 66.666 million from the Buyer. As per management, this stance is essential for 100% recovery of remaining single installment of Rupees 66.666 million from the Buyer. Further, the legal counsel of the Company is of the view that there is no default on part of the Company in performance of its obligation to transfer ownership of proportionate freehold land to the Buyer as completion of necessary paperwork and payment of necessary duties and taxes is the responsibility of the Buyer. As the Buyer has defaulted in payment of remaining installment of the Company, therefore, the Company has not de-recognized the carrying amount of the proportionate freehold land in these condensed interim financial statements as the criteria for the sale of goods in IFRS 15 'Revenue' has not been met.

7.1 The Bank of Punjab had previously first pari passu charge over land, building, plant and machinery of the Company for Rupees 300 million through registered mortgage. However as per the order of Lahore High Court, Lahore dated 09 October 2013, NOC was given by the bank on deposit of Rupees 120 million with the Deputy Registrar (Judicial) of the Lahore High Court, Lahore.
